

Subject: Consent on sharing the scientific and educational information time to time

Dear Doctor,

Abbott India Limited/ Abbott Healthcare Private Limited ("Abbott") is a global pharmaceutical company known for its innovative products and commitment to applying leading edge science and technologies to advance patient care. It has been our constant endeavour to propagate knowledge on various diseases, disorders, therapies and to promote disease awareness, diagnosis, treatment and compliance.

In continuation of these efforts, Abbott wishes to share with you from time to time, scientific and educational information, promotional material and updates ("Information"), conduct webinars with respect to various products and therapies in which Abbott operates through electronic and digital mediums as permitted by Abbott policies.

By accepting these terms and conditions, you hereby voluntarily consent to; (i) receiving the Information; (ii) Abbott's digital partner, through whom these services are made available, being privy to your personal sensitive information and (iii) collection, usage and processing of your personal sensitive information by Abbott in accordance with applicable law including but not limited to Information Technology (Reasonable security practices and procedures and sensitive personal data or information) Rules, 2011. Please note that Abbott has implemented reasonable security standards and practices for protection of your sensitive personal information in accordance with applicable laws. Abbott adopts appropriate technical and organizational measures to protect your personal information against accidental or unlawful destruction or accidental loss or damage, alteration, unauthorized disclosure or access and against all other unauthorized or unlawful forms.

Kindly note that our engagement with you for providing the Information to you is not with an intention to influence any medical decisions or choice regarding the use or prescription of Abbott products. Abbott does not expect you to demonstrate any preference in prescribing or recommending the products of Abbott in lieu of such engagement (No Quid Pro Quo). Patient interests shall at all times be of highest importance and priority.

I accept these T&C's and click here for acknowledgement
